Ms. Martha Walker
Park Ranger
Thomas Stone National Historic Site
6655 Rose Hill Road
Port Tobacco, MD 20677

Dear Ms. Walker:

On June 19, 2001, Rod Whiteman of my staff conducted an aerial detection survey for gypsy moth-caused tree defoliation at Thomas Stone National Historic Site. I am pleased to report that no defoliation was detected at, or in the vicinity of, your site.

However, if you anticipate requesting either financial or technical assistance for gypsy moth control in 2002, please contact Brad Onken or Rod by letter or telephone (304) 285-1541 before August 24, 2001.

Please contact Rod at the above number if you have any questions regarding this aerial survey letter.

Sincerely,

JOHN W. HAZEL
